

Overview

Alhamrani Company for Investment in Trade is an independent leasing and instalment credit provider, which supports the Alhamrani Groups marketing of; commercial and passenger vehicles, heavy machinery and other consumer durables. Over the years it has successfully been able to anticipate and exceed the needs of increasingly demanding and sophisticated customers.

The continued success and financial strength of this company has enabled strategic diversification into the external marketplace, which is a substantial area for future growth.

Products

With our competitive rates, high efficiency levels and the ability to tailor repayment schemes to meets our customers' financial situations, we are able to offer a variety of products and services that have proved exceedingly attractive to the market.

With the further introduction of innovative financing methods, such as "balloon" payments, financial leases and "escalators", Alhamrani Investment is continually improving the services it can offer its customers.
